

LAST MINUTE FAQs

1) HOW DO I KNOW IF I HAVE REGISTERED CORRECTLY?

Every student and leader in your youth group needs to have a separate ticket through our Brushfire registration system. Make sure you have reserved a group with a separate ticket for each person. (Find instructions on how to do this **HERE**.)

2) HOW DO WE ACCESS THE LIVE STREAM?

You will be sent an email on Thursday, October 15 (the day before Change Conference) with a link to access the live stream. You can send that link to your students and leaders who you registered.

3) HOW DO I GET MY STUDENTS TO JOIN THE CHAT?

We are encouraging all students and leaders to participate in our online chat. All you need to do is click the link to the live stream, and enter their name to start using the chat. If your group is having a Watch Party or watching together over Zoom, encourage the youth to have the live chat open on their cell phone/tablet.

4) HOW TO ACCESS THE CURRICULUM?

Go to <https://online.brushfire.com/canadian-youth-network/>. Click "Change Conference Curriculum". Insert your ATTENDEE NUMBER (not your Order Number) to access the curriculum.
