WATCH PARTY HANDBOOK

Want the full Change Conference Experience? You should host a Watch Party! Watch Change Conference with your youth group and/or neighbouring churches.

Join thousands of students all across Canada on February 24th 2023. Here are some pointers to help you create the best Change Conference experience for your youth group.

TIPS

GET A CHANGE CONFERENCE SWAG BUNDLE!

We want your students to have the best night ever, and we are here to help! We have created Swag Bundles filled with everything you need to help you create an incredible event. Each bundle comes equipped with enough items for 25 students, so if your youth group is bigger you may want to purchase multiple bundles. Head to our online shop for more information on what goodies are inside! changeconference.com/shop

HOST YOUR OWN CHANGE CONFERENCE PRE-PARTY

Use our Pre-Party schedule as a guideline of what you can do to pump up your Watch Party before tuning into Change Conference Online. We suggest starting your Pre-Party 30 minutes before Change Conference begins. Don't forget to purchase prizes that you can use as giveaways. You can also have a table at the back of the room with lots of snacks!

CREATE A PARTY ATMOSPHERE

The party starts as soon as the students enter the building! Find someone to DJ live at the venue or have our [Change Conference 2023 Spotify Playlist](#) playing through your speakers. Print out big signs for your leaders to hold as the students enter the building.

MCING

Find a youth pastor (or a few!) to act as the Live Hosts for the night. They can run the games during the Pre-Party and also announce when Change Conference Online begins. (Try to think of a creative way to pump up the students when Change Conf starts!)

WATCHING CHANGE CONFERENCE ONLINE

Make sure to test the livestream to ensure everything works on your end (sound, projector, etc) before the event begins. If at any time you need help registering or logging into the event, please email support@changeconference.com or text us: (226) 240-9938

TIPS

SMALL GROUP DISCUSSION

We strongly advise that all youth groups take the time to break up into small groups to discuss afterwards. Discussion questions can be found in our Online Change Conference Lookbook and in the Leaders Handbook (available in the Swag Bundle and online at www.changeconference.com/leaders-handbook/). Make sure to use this time to challenge the students to share the Gospel message video on their social media channels.
