PARENTS GUIDE

HEY PARENTS!

You are all real life everyday heroes. Thank you for the important work - THE most important work! Together, we can give your teen the most amazing online Change Conference experience ever! We've created a Prep & Follow Up Guide to help you prepare yourself and your teen for this amazing event.

WHAT IS CHANGE CONF NATIONAL ONLINE 2024 ACTUALLY ABOUT?

Change Conf is most importantly a proclamation and invitation of the Gospel. We want every teenager in Canada to be able to hear, respond to, and live out the message of Jesus in their lives.

The theme for Change Conf National 2024 is TRUSTWORTHY based on Proverbs 3:5-6, “Trust in the Lord with all your heart; do not depend on your own understanding. Seek his will in all you do, and he will show you which path to take.”

We will be communicating the love and hope of Jesus and delivering the gospel clearly and effectively during the livestream. We want teens to walk away understanding that God is the most trustworthy Person they will ever know, and that through the power of the Holy Spirit, they can trust Him and surrender their entire lives to Him.

Trust in the Lord with all your heart; do not depend on your own understanding. Seek his will in all you do, and he will show you which path to take.

WHAT ARE THE MAIN OBJECTIVES FOR MY TEEN?

Our objective for all teens in attendance is that they take a step closer to Jesus in some way.

We will provide space for your teen to either:

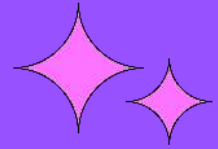

a) make a decision for Jesus (first time or recommitment)

and/or

b) go deeper in their relationship with Jesus by choosing to trust in Him more by surrendering a part of their life they haven't given over to Him yet

HOW DOES CHANGE CONF COMMUNICATE WITH MY TEEN ON THESE MAIN POINTS?

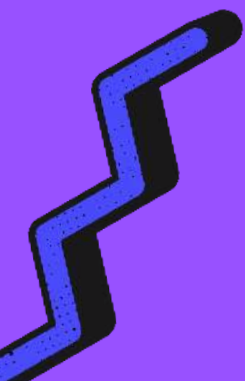

In the livestream, we will communicate the two ways that your teen can take the next step in their walk with Jesus:

- 1) We will be directing all teens to thereismoretolife.ca

We have created this website with your youth in mind. No matter what stage of faith they are (or aren't at) they can find helpful resources to answer their questions. There is something there for every student, regardless of where they're at in their journey.

- 2) We will be encouraging your teen to go deeper in their faith with Jesus by surrendering a part of their life to Him they haven't yet. All of us have things we likely haven't fully entrusted to Jesus yet, and we want to give teens a chance to fully surrender everything to Him and deepen their trust in Jesus.

IS THERE ANYTHING ELSE I CAN DO TO PREPARE MY TEENAGER?

YES! We'd love you to PRAY.

Gather people to pray! Every single year at Change Conference, God does AMAZING things and lives are eternally changed. Addictions are overcome, sin is forgiven, suicide attempts are prevented, physical or mental healing takes place, relationships are restored, hope is found, and thousands hear the message of God's love. Youth in Canada are coming into relationship with Jesus. You need to be in prayer for this event! To make this easy, Change Conf has set up some accessible ways to get your community involved in prayer. Here's how:

HERE'S HOW:

Join us on February 21st for our Change Conf Day of Prayer and Fasting. People all across Canada will be fasting and praying for this event. Feel free to join us on Instagram Live that night to pray with leaders across Canada. (@changeconference on Instagram)

DISCUSSION QUESTIONS

You can find our suggested discussion questions [here](#).

YOUVERSION DEVOTIONAL PLAN

We collaborated with the BibleProject and wrote a 5-day devotional Bible plan to help any student who wants to dive in deeper. Check it out by going to the YouVersion Bible app and search “A Guide for Following Jesus” or “Change Conference.” This could be a great thing to do together as a family!

Have a question that isn't answered here? Please email us directly at info@changeconference.com or text: (226) 240-9938

We're here to help!

TECHNICAL HELP

Email: support@changeconference.com

Text: (226) 240-9938

TECHNICAL EQUIPMENT NEEDED:

Speakers

Projector/ big TV screen

Hdmi cable

Laptop connected to wifi (we encourage you to use a computer plugged into an ethernet connection for better connectivity).
