

Dear Parents,

We're so glad you are considering having your child/teen join us for Change Conference! We will leave the planning details to your youth leaders/volunteers but here's a few things about the heart of our ministry that you might want to know:

What we believe at Change Conf

We believe the greatest thing your child/teen could ever know is Jesus. Change Conf exists to give every student an opportunity to hear the Gospel clearly, experience the love and hope of Jesus, and consider what it means to follow Him.

What is Change Conf?

Change Conf is a weekend designed for students ages 12–18 to step away from their everyday routines, connect with other students, ask honest questions about faith, and encounter Jesus in a safe and welcoming environment.

Throughout the weekend, students will hear from speakers, worship together, build community, and be challenged to live out their faith. We also encourage students to share what they're learning with their friends and bring the hope of Jesus back into their schools and communities.

What happens after Change Conf?

If your child/teen chooses to follow Jesus, we want that decision to be the beginning, not the end of their journey. Our team provides follow-up resources and works alongside youth leaders and local churches to help students take their next steps in faith and grow in their relationship with Jesus.

What do you need to know most about Change Conf?

Our prayer is that your teen would leave Change Conf knowing they are deeply loved by God, strengthened in their faith, and encouraged to live out the purpose He has for their life.

Thank you for trusting us with your child/teen. We're honoured to be part of their weekend!
